Weight: 6900 g (with blade holder M).

#### Basic Kit:

- 1 HSGM STYRO-CUT G1-VW
- 1 Blade holder M
- 1 Blade C-180 for 180 mm (7") boards
- 1 Operating instructions

#### Practicable blades:

Type C-70  
For boards up to 70 mm

Type C-100  
For boards up to 100 mm

Type C-140  
For boards up to 140 mm

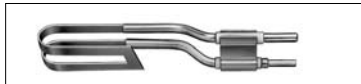

Type C-180  
For boards up to 180 mm

Type C-200  
For boards up to 200 mm

Type CN-14, curved,  
For 14 mm grooves

Type CN-20, curved,  
For 20 mm grooves

Type CN-26, curved,  
For 26 mm grooves

Type CR-20, curved,  
For 20 mm grooves  
with depth-guide

Type CS-20, square-type,  
For 20 mm grooves  
with depth-guide

Type CV-20, V-type,  
For 20 mm grooves  
with depth-guide
